

Priority Living Ministries

Julie Gill

Writer, Bible Teacher,
Founder Priority Living Ministries

Julie is a wife of 35 years, mom to three adult children, Bible teacher, writer, and most importantly, follower of Jesus Christ.

For almost three decades, she has lead women through the study of God's Word, but has never been content to leave them with head knowledge alone. Julie has a passion for helping women transition God's truth from their mind and heart to their hands and feet.

In her years as a Professional Organizer and Time Management Coach, Julie discovered the vital connection between our walk with the Lord and how we prioritize our lives and steward our time. She has created hands-on tools to help women live out what they learn in God's Word right in the middle of their everyday, sometimes messy, but always beautifully redeemed lives... all for the glory of God.

More Details...

When choosing an event with more than one message, you have the option of adding additional speakers from the Priority Living team. Please contact us for more information about our team and additional topics for speaking and breakout sessions.

Our goal is to help ensure the learning and discipleship among your ladies continues long after your event is over. With this in mind, we encourage you to consider the next step of offering Priority Living's *Intentional Discipleship*. We'd love to talk to you about this very simple but powerful way to engage all your women in faith-deepening discipleship. Just ask! We'll give you all the details.

We do not charge a speaking fee, but a love offering to cover travel expenses and to support our ministry is always appreciated.
